

THE SUHRE SERIES

LET'S SUPPORT, CELEBRATE & SPOTLIGHT

Our clients are important, valuable and essential. Regardless of what industry you're in or the types of products or services you sell, your clients (customers) are the most important part of your business. We want to dedicate part of this issue to celebrate our client's and what they mean to us.

In case you're new here or would like a brief firm update, we have offices in Ohio, Kentucky and Indiana. We have built a strong team of 8 attorneys across the region, with 7 support staff positions including roles tailored to client success, case management and marketing. We strive to listen to our client's needs and have a solution-oriented approach in the way that we conduct the business.

One of our previous client's had a driving violation that resulted in charges and an arrest. There are always two sides to the story. Sometimes an arrest is justified – but in other cases, the police might be overzealous and overstep the letter of the law. In this case, we strived to protect our client's rights and gather all the evidence and analyze the circumstances of the traffic stop. Our client was devastated and concerned about how a conviction could potentially impact his daily life like spending time with his children, grandchildren and trying to establish himself in a new state. Ultimately, we were able to negotiate the charges against him and achieve an outcome that allowed him to move forward, without conviction.

March 19th is National Client's Day and April 8th is Step In The Spotlight Day. We wanted to show some appreciation to just one of our client's testimonies and highlight the positive outcome he received because of hiring us. We care about your reputation and future. If you ever have legal questions, please don't hesitate to call us.

TESTIMONIALS

WHAT OUR CLIENTS HAVE TO SAY

“Tanner Duncan helped my family out of a very delicate spot. He was well prepared with the little time we were able to give and made us feel at ease every step of the way. Going through a difficult situation with him at our side made us feel much more confident- and we won our case! Thank you would not do justice to the peace of mind he gave us.”
